

PRINTABLE FORTUNES *for*

FOR TUNE ROLLS

You will make someone very happy by cleaning all the toilets in the house.

Stop procrastinating – starting tomorrow.

You will not make it on The Voice.
Try acting.

The fortune you seek is in another roll.

You will prosper in the New Year.

You are loved, but not when you pass gas.

A grounding is in your future.
You better think twice.

Smile. Beauty surrounds you.

Don't be fickle in love, only in choice of shoes.

You will not get sick from eating this roll.

Someone has Googled you recently.

To keep teeth white, do not eat a black-frosted cupcake.

Write your own.
